Seattle City Council  
Po Box 34025  
Seattle, WA 98124-4025

Dear City Council:

We are Seattle registered voters who support Councilman Rasmussen's Comprehensive Aquatics Plan and ask that you vote to fund it in the City Budget.

Seattle last built an indoor pool in the 1970's ... Ridiculous!!!! If Michael Phelps wanted to swim in a world class facility in Seattle, where would he go? The UW pool is dilapidated, and closed to the general public. Our population has more than doubled, and studies show swimming is one of Seattle's primary forms of recreation. Please build more pools!!!!
